**How can I donate?** There are many options for donating, including:

- Make a lump sum or recurring payment online at <https://stmichaels-issaquah.org/donate.html>. Please note that it is preferable to use the 'Checking' or 'Savings' options as St. Michaels pays a sizeable fee for credit card payments. Please also submit a completed pledge form to help us understand your intent.
- Put your gift and/or the above pledge form in an envelope marked as 'Close the Gap' in the offering plate. It may also be marked as 'Close the Gap' and sent to:  
St. Michael & All Angels  
325 SE Darst St  
Issaquah, WA 98027
- In addition to making either recurring or lump-sum donations, the option to donate "Appreciated Stock" to the Diocese of Olympia for the benefit of St. Michael and All Angels for the Capital Campaign fund might be attractive to some families. If this option is attractive, the Parish Office can provide necessary information.

**Please note that the total commitment on this pledge form should solely reflect the contribution to the 'close the gap' effort and not include any contributions or commitments made to previous capital campaigns.**
